

Mr. Bellamy's professional experience as an FBI Special Agent, WMD Coordinator, Hazardous Materials Response Team Leader, Special Agent Bomb Technician and more recently as the Preparedness and Response Branch Chief has given him the unique opportunity to work with multiple local, state and federal agencies in planning and training for and responding to acts of terrorism involving WMD materials and devices as well as other emergency situations involving hurricanes, earthquakes, pandemics and other naturally occurring events. Mr. Bellamy is directly responsible for the daily operations and management of all training and security services for our clients in the Law Enforcement, Fire Rescue, Emergency Management, Public Health, Medical, Key Asset, Critical Infrastructure and Special Event sectors.
